Sushila,

Sorry we did not connect on the call for a post settlement conferene call. We had a quick conversation with DEP and here is our take away.

Got your voicemail Steve. Given your attempts to catch the 1 pm train (I don't blame you), I guess we won't be doing our post-mortem today.

No worries. Just let me, Tom and PADEP know when we will have a discussion to follow up today's meeting. Hopefully sometime soon – I know next week is a short week for many of us.

I will leave scheduling up to you and Pam. Thanks, Sushila

Importance: High

It sounds like we are wrapping up. If you all want to do the post-mortem, I need to be off by 12:55 to get to my other meeting.

in number

Folks, a couple of things:

1. I may have to duck out from 1-2 est time tomorrow 1/15. I can get myself caught up afterwards.
2. Assuming I am able to return to the call prior to the conclusion of discussions with CRW/Harrisburg, if the
thought it to have a post-mortem 1/15, we can use my call in number: **Ex. 6 Personal Privacy (PP)**

I hope this makes sense
